ROUTE DESCRIPTION & PARKING

By car

Leave the **highway A10** via the exit Watergraafsmeer/ Diemen (S113) and follow the direction to Centrum/ Watergraafsmeer. This street is called 'Middenweg' and will change into 'Linnaeusstraat'. KIT | Meetings & Events is located at the end of this street, at the corner with the Mauritskade.

By public transport

Tram stop Alexanderplein is located in front of KIT | Meetings & Events. This tram stop can be reached as follows:

From **Amsterdam Centraal Station**: tram 14 (towards Flevopark) – halte Alexanderplein

From **Amsterdam Sloterdijk**: tram 19 (towards Diemen Sniep) – halte Alexanderplein

From **Diemen**: tram 19 (towards Station Sloterdijk) – halte Linnaeusstr./ 1e van Swindenstraat

Taxi rank

At 100 meters of KIT | Meetings & Events is a taxi rank, which is situated at the Linnaeusstraat, in front of the Amsterdam Tropen Hotel.

Parking

KIT | Conference & Events currently has no parking spaces available. However, it is possible to park at Q park Oosterpark or at the parking spaces of Artis. Moreover, in the area of KIT | Conferences & Events at the Linnaeusstraat are also enough on-street parking places available.

Parkinggarage Qpark Oostpoort

Located on a side road of the Middenweg:

Q Park Amsterdam Oost

Polderweg 92 , 1093 KP Amsterdam

From the parking garage you can reach KIT with tram line 19 within 5 minutes.

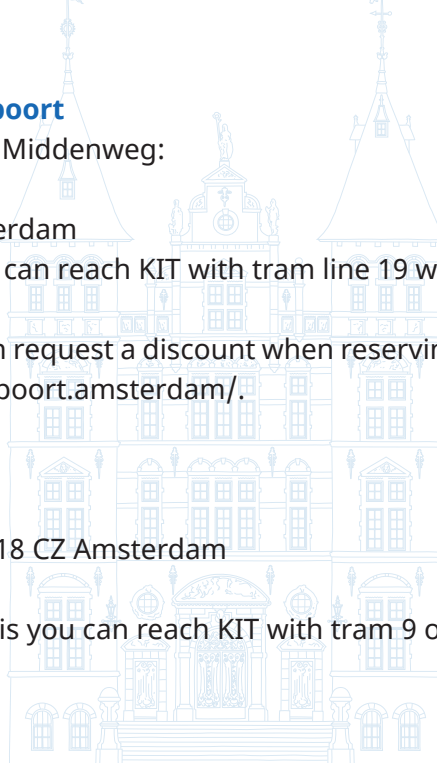

At Oostpoort customers can request a discount when reserving a parking space via the link below: <https://parkeren-oostpoort.amsterdam/>.

Parkingspots at Artis

ARTIS

Plantage Kerklaan 38 – 40, 1018 CZ Amsterdam

From the parking spots at Artis you can reach KIT with tram 9 or tram 14 within 5 minutes.

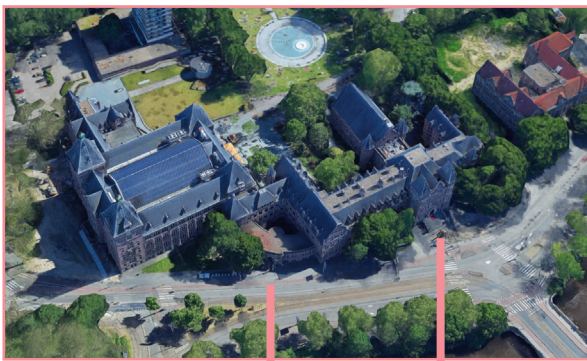

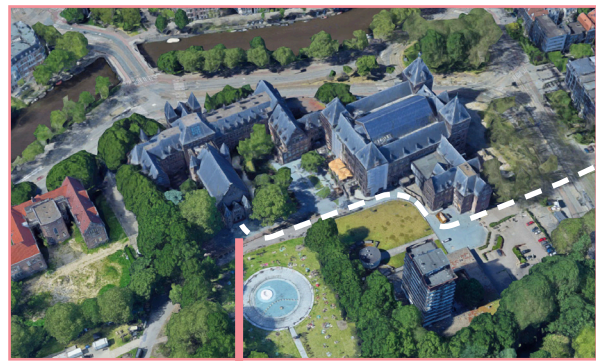

THE DIFFERENT ENTRANCES

The main entrance of KIT is located at Mauritskade 63. This entrance is only open during events for the guests. Other visitors can enter via the reception at Mauritskade 64.

It can also occur, due to another event or the schedule of the event, that we use the Royal entrance. The Royal Entrance is located right at Oosterpark and can be seen in the picture below.
